

# Meet MCC Scholarship Recipient Naoko Robinson!

Naoko is the proud recipient of a 2016 Mary Porcari Brady Nursing Continuing Education Scholarship

Thank you very much for selecting me. I am honored and will truly appreciate this scholarship. I am thankful for this wonderful opportunity. I am a mother, wife, LPN and a nursing student. My life is filled with love and happiness. I am very fortunate to have wonderful people around me. Nursing is my passion. I am ready to be a registered nurse and it will be my honor to serve for our community.

In August 2012, I became a Practical Nurse. I have been working as a floor nurse at skilled nursing facility for three years. I absolutely love to take care of elderly. They are our history. They built our country. I love spending time with my residents and listen to their stories. Unfortunate part of working with elderly is that they are at the end of life stage. I need to say good-bye sometimes. However, as a nurse I am privileged to be part of their lives. I enjoy spending time and getting to know their family. Therefore, I want to be a hospice nurse. I would like to be there when people are most vulnerable.

I am confident that with my experience with elderly will contribute greatly to help my career as hospice nurse. I am professional, responsible and caring. Now that I am older, I am more patient and compassionate toward people. I was given a second chance, and now I would like an opportunity to give others a change.

I graduated Isabella Graham Hart Practical school of Nursing with honors (my final average is 93.25). I made a Dean's list for the Fall 2014 semester. I am a member of PHI THETA KAPPA honor society. Current GPA at MCC is 3.965. I am a hard worker and committed to school. I always give 100 % effort to be successful. Scholarship will give me a financial freedom. If I can focus on my study and not to worry about money, it will be a tremendous relief. I am deserved to receive this scholarship.

Thank you for your time.

Sincerely,

Naoko Robinson MCC nursing student
